Re: Response to 2009-10 Grand Jury Final Report – Case No. 0609

Dear Judge Murray:

The City of Manteca is in receipt of the above-noted 2009-10 Final Grand Jury Report. On August 16, 2011, the Manteca City Council voted to authorize me to send the City's response to the above-referenced Final Grand Jury report issued in June 2011, consistent with Penal Code Sections 933 and 933.05.

In December 2010, the City responded to the earlier release of findings and recommendations relative to this case. Those responses have been incorporated into the final report, and it now appears there remain only one finding and one recommendation for which a written response is required.

Findings:

F1. The City of Manteca has no formal policy in place, though links to other government agencies and non-profits are allowed. At a later date Manteca will draft a policy pertaining to external web links.

Response: Staff is developing a policy pertaining to external web links. Policy is anticipated to be implemented by September 30, 2011.

Recommendations:

R1. Develop and implement policy to govern external website content.

Response: Staff is developing a policy pertaining to external web content. Policy is anticipated to be implemented by December 31, 2011.

Sincerely,

WILLIE W. WEATHERFORD
Mayor
