The Woodbridge Fire District has the following responses to the Grand Jury Report

**F1.2**-The Woodbridge Fire District agrees that a single countywide emergency dispatch system will be in the best interest of the citizens of San Joaquin County

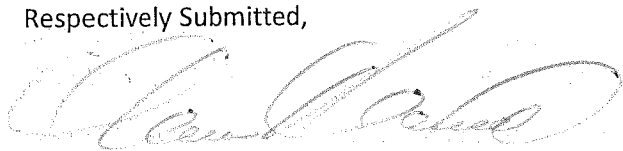

**F1.3**-The Woodbridge Fire District agrees with the finding and along with **R1.3** could be solved by a task force to sit down and discuss the details and work out the differences.

**F2.1**-The Woodbridge Fire District agrees with this finding and has many long standing Automatic Aid Agreements in place with: Waterloo-Morada, Mokelumne, Liberty, Stockton, Thornton Fire Districts in San Joaquin County. We also have Automatic Aid Agreements with 2 fire agencies in Sacramento County.

**F2.2**-The Woodbridge Fire District agrees that AVL capability will allow for the closest unit to respond and even allow for boarder drops between agencies. However, this does come with a cost of about \$1200 per unit. Along with Recommendation **R2.2**, this will not be easily achieved by most without a funding mechanism.

**F3.1**-The Woodbridge Fire District agrees that policy 3202 doesn't allow responders to provide the level of service to their communities.

Respectively Submitted,

Thomas Alexander: Board President
