Dear Judge Lofthus:

On June 20, 2018, the San Joaquin County Civil Grand Jury released a follow-up report on Case No. 0516, *Meeting the After-School Needs of Weston Ranch High Schools Students*. The Findings and Report were submitted to the Governing Board of the Manteca Unified School District on July 24, 2018. The Governing Board agreed as follows:

Finding No. F1.1

The Manteca Unified School District along with the staff of Weston Ranch High School have developed several significant after-school programs. In doing so, they are preparing students for future education and/or employment in technical careers. Some of the programs serving more than 75 students are: SAT Preparation; Spanish Tutoring; Weight Lifting; Arts and Crafts.

Response to Finding No. F1.1

The District agrees with this Finding.

Finding No. F1.2

In the 2016-2017 school year, Manteca spent \$125,000 contracting with Stockton Kids Club to run its after-school program at Weston Ranch High School. This year the District, in conjunction with the Weston Ranch High School staff, has spent \$30,000 on the after-school programs described above and is providing significantly more opportunities for the students.
