Re: Response to San Joaquin County Grand Jury's report entitled, "San Joaquin County Reclamation Districts: Limited Resources for a Big Task, 2013-2014 Case No. 0113."

Dear Grand Jury:

The Board of Trustees of RD 404's response to Findings F1.1., F1.2 and F1.3 and Recommendations R1.1, 1.2 and 1.3 in the above-referenced report is as follows:

Not later than December 31, 2014, RD 404's Board of Trustees will review its current legal services and engineering contracts to ensure that the legal services contract contains all services provided by the law firm and will also strive to ensure that both its legal services and engineering contracts contain all relevant information required under Federal and State laws and regulations to ensure reimbursement of permitted costs in the event of an emergency.

The Board of Trustees of RD 404's response to findings F2.1 and F2.2 and recommendation R2 in the above-referenced report is as follows:

No later than December 31, 2014, RD 404 will prepare the framework for an annual operating budget and utilize it for all subsequent fiscal years.

Very truly yours,
Reclamation District No. 404

By: Jason Cashman
President of the Board of Trustees
