PUBLIC NOTICE

MASKING AND SOCIAL DISTANCING CHANGES

As the state commences its reopening, certain masking and social distancing requirements have been relaxed pursuant to guidelines from the Centers for Disease Control and Prevention as implemented by Governor Newsom, the California Department of Public Health, and Cal-OSHA.

In line with these changes, effective **July 6, 2021**, the Court will no longer require social distancing in its facilities. Additionally, and also effective **July 6, 2021**, the Court's masking requirements will change:

- Members of the public will not be required to wear facemasks if they are fully-vaccinated. An individual is "fully-vaccinated" two weeks after the second dose of the Moderna or Pfizer vaccines, or two weeks after the single-dose Johnson & Johnson vaccine.
- Members of the public who are not fully-vaccinated must continue to wear a compliant facemask. Compliant facemasks must completely cover the nose and mouth, and do not include neck gaiters (regardless of double-layering), masks with valves or other holes, bandanas, or face shields.
- All jurors required to report for jury service will be asked to self-attest upon entry into the courthouse that they are fully vaccinated or unvaccinated. Fully vaccinated jurors are not required to wear a facemask. Jurors who are not fully vaccinated, or decline to state, must wear a facemask to enter the courthouse and at all times while inside.
- The Court will provide compliant facemasks upon request.
