The Lodi, Manteca, Tracy, and Juvenile Justice Center have lobby areas where prospective and sworn jurors, witnesses, spectators, litigants, and children congregate. Photographing, videotaping, filming, broadcasting in these areas may interfere with those activities, including security operations.

When courtroom photography or videotaping is permitted, the court will work with the media to situate photographers in positions where spectators are not likely to be depicted in the background.
- (b) The prohibition against photographing, videotaping, filming, broadcasting, or electronic recording of spectators shall not apply to any person situated in the audience who becomes disruptive or who addresses the court if Rule 1.150 authorization has previously been granted for those proceedings. Moving and responding parties shall specify on the first page of the notice of motion or response the name of the witnesses, if any, they intend to call at the hearing.

4. Copy of Search Warrant, Affidavit, and Inventory:

When any party is unwilling to stipulate to the transcript of the preliminary examination or grand jury hearing being received into evidence (supplemented by other testimony and argument of counsel, as needed), that fact shall be stated on the first page of the notice of motion or response. Failure to so indicate shall be deemed a stipulation to the admission of the transcript into evidence. (Eff. 07/01/98)

2-102.2. DEMURRERS, MOTIONS TO DISMISS, MOTIONS TO STRIKE (Eff. 07/01/98)

If the defendant does not seek to dismiss or strike the entire complaint, information, or indictment, the defendant shall set forth in the notice of motion the count, enhancements, allegations, special circumstances, or other aspects of the pleading defendant seeks to dismiss or strike. 3-102. ADMINISTRATION OF GENERAL CIVIL LITIGATION (Eff. 01/01/20)

NOT APPLICABLE TO LIMITED CIVIL CASES

A. Policy:

It is the policy of the San Joaquin Superior Court:

1. To manage all cases except civil petitions, probate, mental health, domestic and paternity actions from the time of filing the first document invoking court jurisdiction through final disposition.
2. The time frame for unlimited civil cases is 75% within 12 months, 85% within 18 months and 100% within 24 months.
3. To use these rules as outside limits in the management of civil cases. Parties are encouraged to proceed at a more accelerated pace, especially in those cases involving promissory notes, simple breach of contract, money due and other cases susceptible to early disposition. In such cases, a party may file its own at-issue memorandum prior to case management conference to secure an early trial date.
4. Nothing in this section shall prevent the court from issuing an exception order based on a specific finding that the interest of justice requires a modification of the routine processes as prescribed.
5. Uninsured motorist (California Insurance Code Section 11580.2) and eminent domain cases shall be deemed exempt from this rule upon the filing by plaintiff of a Declaration of Exemption (Form Sup. Ct.56). The Case Management Conference for these matters will be scheduled 180 days out at case initiation. If the Declaration of Exemption is filed after case initiation, the CMC date will be vacated and rescheduled for 180 days out from the filing date of the declaration. (CRC 3.712.) Plaintiff is required to file a dismissal within ten (10) days after receipt of monies or 60 days after the arbitration hearing in all uninsured motorist cases.
6. All civil cases filed which are statutorily limited civil cases shall remain subject to the "Economic Litigation Rules" (CCP Section

90, et seq.) regardless of which department or commissioner handles such case.

B. Procedure

1. Any party seeking a change of hearing date set under this section must file a written application containing a showing of good cause together with a proposed order five (5) court days in advance of the hearing.
2. Order to show cause hearings for violations of these rules will be held by the assigned judge approximately 20 days from the mailing of the order to show cause.
3. Written response to orders to show cause must be filed at least five (5) calendar days before the hearing.
4. All stipulations for request to continue any proceeding shall be signed by all attorneys involved in the case.

C. Responsive Pleadings

1. If a Certificate of Inability to Respond is timely filed the court will conduct a hearing to determine a date on which a response must be filed.
2. If the responsive pleading is a demurrer and the demurrer is overruled, the court shall fix the time for filing a further response. If a demurrer is sustained with leave to amend, the court shall fix the time for filing an amended pleading and may fix the time for filing a response.

Pursuant to C.R.C 3.110(g), if a responsive pleading is not served within the applicable time limits, and no extension of time has been granted, the plaintiff is required, within 10 days after the time for services has elapsed, to file a request for entry of default.

D. Stays of Action/Alternative Dispute Resolution Requirements

1. To stay any action pending any type of alternative dispute resolution (ADR), stipulations and proposed orders must provide that the ADR shall be binding and that a dismissal of the entire action will be filed.

2. The stay provided by 11 U.S.C. Section 362 shall not affect this section.

E. Extensions by the Court

1. The court may extend any time standard set forth in these rules upon a showing of good cause on noticed motion or ex-parte appointment with the assigned judge.

"Good cause" includes the existence of those conditions stated in C.C.P. section 583.240. When applying to the court to extend time for service of process based on the conditions stated in C.C.P. section 583.240, plaintiff shall suggest to the court the earliest time within which the impediment to service may reasonably be eliminated so that the court is able to continue its supervision of the case on a date certain.

2. Further, in all civil actions, "good cause" for an extension of time to serve the defendant with process is established where plaintiff's declaration affirmatively shows that defendant's insurance carrier or other authorized representative has been advised that an action has been filed and that settlement negotiations are in progress which could resolve the case without further litigation. Upon such showing, it is the policy of the court to extend the time for service of the complaint to a date certain, within which time it appears reasonable that negotiations can be concluded.

F. Case Management Conference (CMC)

1. Upon filing a complaint, the plaintiff shall receive the following from the clerk:
 - (a) Summons and complaint,
 - (b) Notice and date of the first case management conference (the first conference will be set within 180 days of the filing date or within 180 days after an Answer is filed in collection cases governed by California Rule of Court 3.740), and
 - (c) A blank Case Management Conference Statement (CMCS).

Any cross-complainant naming new parties will also receive a notice of case management conference and a blank CMCS.

If a case is transferred from another jurisdiction after a responsive pleading has been filed, the first status conference will be set within 45 days from the order of transfer. If no responsive pleading has been filed, the first case management conference will be set within 90 days from the Order of Transfer. In all other particulars, the plaintiff in a transfer case will receive the same information and items as described above.

2. At the time of serving the summons and complaint (and a cross-complaint upon a new party) the responding party shall be served with the notice of the case management conference and a blank CMCS by the plaintiff.
3. Each appearing party shall file and serve the completed Case Management Conference Statement at least fifteen (15) calendar days prior to the hearing.
4. The assigned judge shall conduct the case management conference, at which each trial attorney, or attorney familiar with the case, and each self-represented party must appear. At the CMC, the court may make all orders it deems appropriate, including but not limited to any one or more of the following:
 - (a) A preliminary determination regarding judicial arbitration or Alternative Dispute Resolution (ADR);
 - (b) Transfer to another court;
 - (c) Designating the case as "complex litigation";
 - (d) Order an early settlement conference;
 - (e) Order a trial setting conference; or
 - (f) Order the setting of a "short cause" court trial.
5. If none of the parties object to the court referring the matter to arbitration (and therefore without limit) and both sides have initiated discovery, no appearances will be required at the case management conference.
6. If a case is not ordered to judicial arbitration, the court will order a trial setting conference date.

7. Any attorney may appear at the case management conference telephonically and, when this occurs, local attorneys have the same option.
8. The court will consider those factors outlined in Judicial Council Rule 2106 in evaluating a management plan for each individual case.

G. Complex Litigation

1. A complex case is one which involves complex issues, difficult legal questions or unusual proof problems.
2. The court, on its own motion, may at any time declare an action a complex case, or may do so pursuant to motion by a party.
3. Once a case is designated as complex by the court, it shall be assigned to a judge for all purposes, including trial.

H. Arbitration Determination

1. Cases are ordered to arbitration at the case management conference.
2. Parties shall be noticed with a trial setting conference date once a request for trial de novo has been filed. The trial setting conference will be held approximately 21 days from the request for trial de novo.

I. Trial Setting Conference

1. If a case is not ordered to arbitration at the case management conference, the assigned judge will set the case for a trial setting conference.
2. Each trial attorney or attorney familiar with the case and self-represented party must attend, at which time the assigned judge will set any final deadlines for completion of discovery. A trial date shall be assigned with a mandatory settlement conference being set 15 to 30 days prior to trial. Settlement conferences will be governed by Rule 3-104.

3. All trial attorneys or attorneys familiar with the case and self-represented parties shall attend trial setting conference, unless a Declaration in Lieu of Personal Appearance has been filed. Said declaration must be filed with the Court Clerk's Office at least ten (10) days prior to the trial setting conference.

J. Non-Availability of Official Court Reporting Services in Civil Departments

San Joaquin Superior Court's Official Court Reporters are "not available" within the meaning of California Rules of Court, Rule 2.956, for court reporting of civil cases. As provided in Rule 2.956(e)(1), the term "civil cases" includes all matters other than criminal and juvenile matters. This non-availability extends to all civil cases hearings or proceedings of any kind or nature, including but not limited to law and motion hearings, ex parte applications, long-cause hearings and trials. Effective July 31, 2017, the departments which normally hear civil cases are Departments 10A, 10B, 10C, 10D, and 11B.

As provided in Rule 2.956(c), parties may arrange for the presence of a certified shorthand reporter to serve as an official pro tempore reporter. It is the party's responsibility to pay the reporter's fee for attendance at the proceedings, but the expense may be recoverable as part of the costs, as provided by law.

If a party arranges and pays for the attendance of the certified shorthand reporter, none of the parties will be charged the reporter's attendance fee provided for in Government Code section 68086, subdivisions (a)(1) or (b)(1).

The stenographic notes of the certified shorthand reporter are the official records of the court and shall be secured by the court in either paper and/or electronic format in accordance with Government Code section 69955(a), (b), (c) and (d).

In all cases, the plaintiff shall serve "Notice of "Non-Availability of Official Court Reporting Services in Civil Departments" ("Notice") with the complaint. Likewise, the cross-complainant must serve the Notice on any new parties to the action. The service information must be included on the Proof of Service of Summons. In addition, parties that file motions must serve the Notice on all parties in the case. The service information must be included on the Proof of Services by Mail. (Rev 1/1/2022)

3-121. ALTERNATIVE DISPUTE RESOLUTION (Eff. 07/01/17)

San Joaquin Superior Court strongly supports the use of Alternative Dispute Resolution in civil cases. Many cases can be resolved to the satisfaction of all parties without the necessity of engaging in litigation, which can be costly, time consuming, and stressful. The court encourages litigants to utilize some form of ADR as an alternative to litigation in addition to the mandatory settlement conference set in each case.

A. ADR Options

Litigants may choose one or more methods of ADR, including but not limited to the following:

Mediation

- a. Court Mediation Program or Private (CCP §§1775-1175.15; CRC 3.890-3.898)
- b. Non-binding Judicial Arbitration (CCP §§1141.10-1141.31; CRC 3.810-3.830)

- c. Binding Arbitration (CCP §§1280-1294.2; CRC 3.1330)
- d. Neutral Evaluation
- e. Trial by Reference (CCP §§638-645.2)
- f. Expedited Jury Trial (CCP §§630.01-630.12); concerning EJT's, please see Rule 3-127, below, for additional information.

B. ADR Information

Attorneys shall provide their clients with a copy of San Joaquin Superior Court ADR Information packet at the earliest available opportunity and prior to the initial Case Management Conference. Self-represented litigants and all litigants need to review and consider the available ADR choices. Plaintiffs and cross-complainants shall serve a copy of San Joaquin Superior Court ADR Information packet on each defendant or cross-defendant at the time the complaint or cross-complaint is served as required by California Rule of Court 3.221.

C. ADR Participation

Participation in any ADR program offered by the Court or as agreed upon by the parties is strongly encouraged. Parties may request ADR by selecting an ADR option on the Case Management Conference Statement (Judicial Council Form CM-110) and/or completing a Stipulation and Order to Participate in Alternative Dispute Resolution (Sup. Ct. Form 441).

D. ADR Assessment at Case Management Conferences

Parties are to assess and consider an ADR option prior to and at Case Management Conferences. Case Management Conferences will assist the parties to select the most effective and appropriate ADR method to resolve the case. At the discretion of the court, an appropriate amount of time will be permitted for ADR to be completed prior to the date set for a Further Case Management or Trial Setting Conference.

E. ADR Neutral Panels

The Court maintains current lists of arbitrator and mediator panels to assist parties and their counsel in selecting a neutral provider to

preside over ADR proceedings. Eligibility criteria for appointment to the court's arbitration or mediation panels are set forth in CRC 10.781, CRC 3.810, et seq., and such other criteria as may be established by the court. The Court's panel of available neutrals can be assessed through the court's website at www.sjcourts.org under civil mediation.

F. Notice of Settlement

If a case that has been set for judicial arbitration or court mediation settles, plaintiff must immediately serve a copy of written Notice of Settlement or other disposition on the ADR neutral provider appointed in the case and file the Notice of Settlement with the court. (Eff. 07/01/17)

3-122. JUDICIAL ARBITRATION (Local Rule 3-121, revised) (Eff. 01/01/14)

A. Judicial Arbitration

Any civil case shall be submitted to judicial arbitration pursuant to this rule upon order of the court, stipulation of counsel or plaintiff's election, where, in the opinion of the court, the amount in controversy does not exceed twenty-five thousand dollars (\$25,000) for each plaintiff in limited civil case or fifty thousand dollars (\$50,000) for each plaintiff in an unlimited civil case. The parties may stipulate or plaintiff may elect judicial arbitration where the amount in controversy exceeds fifty thousand dollars (\$50,000) for each plaintiff in an unlimited civil case. The Judicial Arbitration program is administered by the court under the provisions of Code of Civil Procedure §§1140.10 through 1141.31 and California Rules of Court 3.810-3.830.

The provisions of this rule shall not apply to cases exempt from arbitration pursuant to CRC 3.811(b) and based upon the discretion of the court.

A case may be ordered to arbitration at a Case Management Conference from information submitted on the Case Management Conference questionnaire. Long cause cases not ordered to judicial arbitration at Case Management Conferences shall be set for trial. If a referral to the Case Management Conference is desired prior to the first management conference, the party may so request in the Case Management Conference Statement and the case may be ordered to judicial arbitration from the information submitted thereon.

B. Continuance of Matters Ordered to Arbitration (Local Rule 3-122, revised)

The continuance of arbitration hearings once scheduled is disfavored. Keeping within the provisions of CRC 3.818(c), the parties may stipulate with the consent of the arbitrator or the arbitrator may grant a continuance based on good cause and not to exceed ninety (90) days from the date of assignment to the arbitrator. A further continuance, however, cannot be granted except by motion to the court, with good cause shown.

C. Setting Trial After Request for Trial de Novo (Local Rule 3-123, revised)

When a request for a trial de novo has been timely filed, the court will promptly schedule a Case Management Conference to set the case for trial.

D. Payment of Arbitrators (Local Rule 3-124, revised)

The arbitrator's award or a Notice of Settlement must be timely filed with the Arbitration Administrator before a fee may be paid. The arbitrator shall receive the sum of \$150 for each case as a fee for services. If the arbitration hearing extends beyond one day, the arbitrator is entitled to \$150 per day for each additional day or portion thereof. At the court's discretion, payment of fees for all arbitrators may be suspended and arbitrators may volunteer their time and effort. (Eff. 01/01/14)

3-123. CIVIL MEDIATION PROGRAM (Local Rule 3-125, renumbered) (Eff. 07/01/17)

A. Civil Mediation Program

The Civil Mediation Program is a court-connected program designed to deliver high-quality affordable mediation services to attorneys and litigants in general civil cases. Mediation gives litigants a voice in settlement decisions and thereby allows them to play a more direct role in managing the outcomes of their own cases. The Superior Court of California, for the County of San Joaquin, is pleased to offer this important and valuable option for resolution of litigation.

B. Eligibility

All types of general civil cases are eligible to participate in the Civil Mediation Program. Please see California Rules of Court, Rule 1.6(4) for the definition of “general civil cases”.

C. Stipulation to Mediation

1. Parties at any time may stipulate to participate in mediation. All parties stipulating to mediation must complete a Stipulation and Order to Participate in ADR form and file it at the Clerk’s Office. An original and a copy for the court’s use shall be submitted to the Clerk’s Office. The form can be downloaded at www.sjcourts.org under “Civil Mediation”.

There is no filing fee for the filing of the Stipulation. An incomplete Stipulation will be returned to the parties by the Clerk’s Office. All Stipulations must include the following:

- a. Original signatures for one attorney for each party or by the self-represented litigant;
- b. The Name of the mediator;
- c. Date of the mediation session; and
- d. Service list (counsel need not serve the Stipulation on parties).

Parties are to mutually agree on a mediator and schedule the mediation session directly with the mediator.

2. Filing the Stipulation Prior to an Initial Case Management Conference

To stipulate to mediation prior to the initial Case Management Conference, parties must file a completed stipulation at least ten (10) days before the scheduled Case Management Conference. The clerk will send notice of a new Case Management Conference date approximately one hundred and twenty (120) days from the current date to allow time for the mediation process to be completed.

3. Filing the Stipulation Following a Case Management Conference

When parties come to an agreement at a Case Management Conference to utilize mediation, the parties have 21 days from

the date of the Case Management Conference to file a Stipulation and Order to ADR with the court. If the Stipulation and Order to ADR is not filed with the court within the time allowed, the clerk will send out an Order to Show Cause to have the parties appear in court and explain why the Stipulation and Order to ADR has not been filed.

D. Selection of Mediator

Parties are to choose a mediator who is mutually agreeable based on the mediator's experience, market rate, and other information listed on the Mediator Panel List. Parties are not, however, limited to choosing a mediator from the court's panel and may select a mediator based on their own research.

4-401. FEES (Eff. 01/01/20)

- A. This rule applies to all trusts subject to the continuing jurisdiction of the court, to any petition for approval of trustee compensation, and to any objection to petitions for trustee compensation.

If the court has jurisdiction of the trust, no trustee or attorney fees shall be paid until there has been an order of court fixing the same or unless the fees qualify as “Advance Payments” as outlined in these Rules.

- B. If the petition for trustee’s or attorney’s fees is part of a petition seeking other relief, the title of the petition in the caption shall include a reference to the request for fees, and shall also be referenced in the notice of hearing.

- C. Trustee’s Fees: In the absence of a formula in the trust for fees, trustee compensation shall generally be presumed reasonable if it does not exceed 1% (one percent) per year of the asset value of the estate on the date of the close of the account for a professional trustee or three-fourths of one percent per year for a non-professional. However, nothing in this rule limits the co’rt’s discretion to find as unreasonable a fee totaling less than or more than the percentages listed above. If the account period contains more or fewer than twelve months, the normal fee will be proportionately increased or decreased.

A trustee who seeks greater compensation than the presumed reasonable fee set out in the paragraph immediately above, must detail in a separate declaration fact that would justify the request pursuant to section 4-401F below.

- D. A professional trustee shall include a licensed Private Professional Fiduciary, bank, entity authorized to transact business as a trust company or any public officer or agency of the State of California or any county within California.
- E. Attorney’s fees: In the absence of a formula in the trust for fees of the attorney, compensation shall be presumed reasonable if one-third of the professional trustee’s normal fee, as computed in Section C, for a twelve-month period, or \$1,000.00, whichever is greater. If there is a non-professional trustee, the attorney fee is presumed reasonable if equal to one-half of the trustee’s normal fee, as computed in Section

C, for a twelve-month period, or \$1,000.00, whichever is greater. If the account period contains more or fewer than twelve months, the normal fee will be proportionately increased or decreased.

An attorney who seeks greater compensation than the presumed reasonable fee set out in the paragraph immediately above, must detail in a separate declaration fact that would justify the request pursuant to section 4-401F below.

- F. An attorney or trustee who seeks greater compensation than the presumed reasonable fees listed in Section C and or E above shall provide a detailed declaration, separate from the petition outlining the requested fees. The petition shall provide the information required in California Rules of Court 7.776 and provide information similar to CRC 7.702(1)-(6), including if more than one category of services was rendered, the services must be separately stated and the date and description of services rendered and the hourly rate of each person who performed the services and the hours spent by each of them. - D. The investment objectives and results with reference to the purpose(s) of the trust, when appropriate. This paragraph is always appropriate and required for a special needs trust.
- E. A statement of the percentage rate of return on all property invested. The purpose of the report is to provide a brief summary of the account measured in terms of the specific trust objectives and requirements. It should not merely recite what has been done, but should relate the

- F. In the case of a trust expected to last over a beneficiary's lifetime, a statement with sufficient detail establishing that at the current rate of return and the current rate of distribution the trust corpus will be preserved for the anticipated lifetime of the beneficiary. C. Specific Duties

The Court shall, in its initial order of appointment, and thereafter subsequent order as appropriate, specifically delineate the advocate's duties in each case, which may include independent investigation of the circumstances of the case, interviewing and observing the child and other appropriate individuals, reviewing appropriate records and reports, consideration of visitation rights for the child's grandparents and other relatives, and reporting back directly to the Court as indicated. Procedures in Dependency Cases (W & I §300)

1. A request for appointment of a child advocate in a dependency case may be made orally or in writing in open court or ex-parte by the social worker, any party to the case, or by the Court on its own motion. A. To Accomplish Appointment

To accomplish the appointment of an advocate, the Judge/Referee/Commissioner making the appointment shall sign an order granting the advocate the authority to review specific relevant documents and interview parties involved in the case, as well as other persons having significant information relating to the child, to the same extent as any other officer appointed to investigate proceedings on behalf of the Court.

B. Access to Records

An advocate shall have the same legal right to records relating to the child he/she is appointed to represent as any case manager (social worker or probation officer) with regard to records pertaining to the child held by any agency, school, organization, division or department of the state, physician, surgeon, nurse, other health care provider, psychologist, psychiatrist, mental health provider or law enforcement agency. 5-502. CALENDAR PRIORITY (Eff. 01/01/03)

In light of the fact that advocates are rendering a volunteer service to children and the Court, matters on which they appear should be granted priority on the Court's calendar, whenever possible. (Eff. 01/01/03)

5-503. VISITATION THROUGHOUT DEPENDENCY (Eff. 01/01/03)

An advocate shall visit the child regularly until the child is secure in a permanent placement. Thereafter, the advocate shall monitor the case as appropriate until dependency is dismissed. (Eff. 01/01/03)

5-504. FAMILY LAW ADVOCACY (Eff. 01/01/03)

Should the Juvenile Court dismiss dependency and create family law orders pursuant to W & I Code Section 362.4, the advocate's appointment may be continued in the family law proceeding, in which case the Juvenile Court order shall set forth the nature, extent and duration of the advocate's duties in the family law proceeding. (Eff. 01/01/03)

5-505. RIGHT TO APPEAR (Eff. 01/01/03)

An advocate shall have the right to be present and be heard at all Court hearings and shall not be subject to exclusion by virtue of the fact that he/she may be called to testify at some point in the proceedings. An advocate shall not be deemed to be a "party", as described in Title 3 of Part II of the Code of Civil Procedure. Upon their filing, cases will be assigned randomly to one of the designated juvenile delinquency departments. Except as otherwise provided by law, the judicial officer assigned to that department will thereafter handle all proceedings involving the matter through termination of jurisdiction, unless otherwise ordered. Nothing herein shall be construed to interfere with the authority of the Presiding Judge, and/or the Presiding Judge of the Juvenile Court to assign or reassign cases as may be necessary for the prompt and efficient disposition of matters coming before the juvenile court. In cases involving alleged co-participants, the courtroom of first appearance will handle the matter through disposition of all alleged co-participants arraigned concurrently on the matter.

- B. At the time of the initial filing of the Petition, the Clerk's office shall affix to the face of the Petition by stamp or other writing, the following notice:

- C. Additional documents may be phased in over time. Please refer to the court's website for updates.

3. Format of eFiled Documents:

- A. All electronic filed documents must be in electronic text searchable PDF format. There is not a limit on the number of pages a document can contain, unless prohibited by another rule.

An electronic bookmark must be created for each exhibit, and between each exhibit a slip sheet must be inserted containing identification of the following exhibit. For example, a page where the words printed are "Exhibit A" or Exhibit B" or other appropriate identification.

4. Acceptance or Rejection of Filing:

- A. Documents electronically submitted to the court for filing may be reviewed by the clerk for certain data elements and/or completeness. Documents are not considered "filed" until they have been accepted by the reviewing clerk.
- B. If after review by the clerk, a document electronically submitted to the court is subsequently determined to be unacceptable for filing; a Notice of Rejection specifying the reason(s) will be generated and provided to the filer. After addressing the issues, it is the sole responsibility of the filer to

5. Confirmation of Submission:

- A. RULE 7 FAMILY LAW

7-100. EMERGENCY ORDERS (Eff. 07/01/18)

All parties must comply with California Rules of Court, Rule 5.151 through Rule 5.170 when submitting emergency requests. The requests shall be limited to those specified in subsection (b) of Rule 5.151 and must be in writing. The requesting party must also comply with the notice requirements set forth in California Rules of Court, Rule 5.165 and must include the Temporary Emergency (Ex Parte) Orders (form FL-305) with their pleadings. (Exhibit A is revoked effective July 1, 2018.) (Rule 7-100 amended effective July 1, 2018; adopted as Rule 7-100 effective July 1, 1998; amended effective January 1, 2014.) (Eff. 07/01/18)

7-101. ORDER EXCLUDING A PARTY FROM THE HOME (Eff. 07/01/98)

A temporary restraining order enjoining a party from the use of the family home will not be granted unless the request is supported by a declaration setting forth a factual basis showing immediate and serious harm. Said declarations shall state, in detail and in competent evidentiary form, the time and place of the act or acts and the exact injuries suffered by the moving party. The moving party has the burden of convincing the court an ex-parte order is an appropriate alternative to an order shortening time. (Eff. 07/01/98)

7-102. NOTIFICATION TO COURT OF OTHER PROCEEDINGS (Eff. 01/01/14)

- A. Any motion, petition or request for order, or response thereto involving an issue of child custody, visitation, child support or domestic violence shall contain a statement notifying the Court and parties of any action which involves the children or the parties concerned in the motion,

petition or request for order which is pending in any other jurisdiction or in the juvenile court. Such information shall include the name and location of the court, the file number therein, the statutory basis for said action and a copy of the most recent order made in the action.

- B. At the hearing on the motion, petition, or request for order, the parties shall call to the attention of the Court any action pending or jurisdiction taken by the Juvenile Court subsequent to the filing of the motion, petition, request for order.
- C. In addition, hereto, every moving party or counsel must disclose to the Court the existence of any prior applications for relief similar to that requested in the current moving paper of which said moving party or counsel have knowledge. (Eff. 01/01/14)

7-102.5. DECLARATIONS SUPPORTING AND RESPONDING TO A REQUEST FOR ORDER (Eff. 01/01/19)

All declarations supporting and responding to a Request for Order, a Domestic Violence Restraining Order (DVRO), and an Elder Abuse Restraining Order (EARO) must comply with California Rules of Court, Rule 5.111. A party shall be permitted to file no more than one (1) declaration in support of or in response to a Request for Order, and one (1) reply declaration (in response to the responsive declaration is permitted if necessary.) No additional declarations (surrebuttal) may be filed until the matter has been continued for a review hearing 60 days or more from the date the matter was initially heard. In such cases, declarations should raise only issues not raised in previous filings. Any evidentiary documents attached to declarations shall not exceed 10 pages in length. However, a party may apply to the court ex parte with notice of the application to the other parties for permission to submit additional pages. The requested additional pages shall not be attached to the separate ex parte application. The ex parte application shall list and describe the requested additional attachments separately, state the exact reasons why each additional attachment is relevant and necessary, and must comply with California Rules of Court, Rule 5.151. Without this prior approval, the court will not consider any attachments exceeding 10 pages or multiple declarations. Parties should not attach copies of pleadings already contained in the Court file to any new pleading. This rule shall not apply to discovery motions. (Rev 07/01/2023)

7-103. MEET AND CONFER REQUIREMENT (Eff. 01/01/14)

- A. All parties and all attorneys are required to meet and confer prior to a case being heard on the family law calendar.

- B. Before the parties are eligible for mediation, it is required that they meet and confer. The sole purpose in requiring them to meet and confer is to allow them an opportunity to work out a plan for the sharing of time and responsibility for the raising of their child or children, i.e., formulate their own parenting plan.

It is expected that any attorney who represents either the mother or father will meet with the other side in order to determine what issues can be resolved by agreement and what issues are really contested.

- C. Attorneys must meet with the opposing side even if the other side is not represented by an attorney. A bona fide attempt must be made to settle all issues prior to mediation.
- D. Parties not having attorneys must still meet and confer. If either side is not represented by an attorney, they are still required to meet with the other side in order to try to resolve the parenting plan. A party who is not represented must remember that meeting and discussing the case with the other side does not mean that they must make an agreement, they must simply make an honest attempt to settle all the issues they can and determine the issues that are contested.
- E. Complete meet and confer required. In order to expedite the process, it is required that even if a complete settlement is not possible, all issues should be discussed even if only conditional agreements are made. For example, if the parties cannot agree, they should determine how holidays will be shared and what shared time they would have if they were not granted the primary custody of the child or children.
- F. Parties must exchange three days prior to the hearing all documentary evidence that is to be relied upon for proof of any material fact at the hearing. This requirement does not apply to documents used primarily for rebuttal or impeachment purposes (Eff. 01/01/14)

7-104. MEDIATION (Eff. 01/01/14)

- A. In any mediation pursuant to Family Code §3183, the mediator may make an oral or written recommendation as requested by the court, and at the request of a party or attorney, the mediator shall be subject to cross-examination.
- B. No peremptory challenge of a mediator is permitted.

- C. A party may challenge a mediator for good cause by the filing of a formal motion to disqualify a mediator. The court shall continue the date of any mediation to allow the filing of a motion to disqualify. The court shall shorten time for a hearing on a motion to disqualify a mediator upon the request of either party.
- D. A mediator may decline to mediate a case in the event the mediator determines he or she cannot be unbiased or has a conflict that would prevent a meaningful mediation.
- E. Ex-parte communication with Court mediators by any party or attorney to the action is prohibited, except for limited contact necessary to schedule or continue hearings, mediation sessions and/or testimony of mediators at trial or hearing.
- F. The purpose of mediation is to facilitate an agreement between the parents. If counsel attends a mediation session, they shall do so in a support capacity and not to advocate for a position. The mediator may exclude either or both counsel from a mediation session if in the discretion of the mediator such exclusion will facilitate the mediation process.
- G. When any request for order is filed placing custody and/or visitation at issue, the parties are required to attend an orientation session provided by Family Court Services prior to the court date on the request. Non-compliance may result in the case being continued until such time that the parties have attended the required orientation. (Eff. 01/01/14)

7-105. SUPPORT (Eff. 01/01/14)

These guidelines have been adopted to comply with the California Family Code operative January 1, 1994.

- (b) The Court will take all circumstances into consideration (e.g., reduced expenses because of income of a new spouse or cohabitants) to the extent permitted by the Code.
- (c) Concurrently with filing, and responding to, a request for order to establish or modify child and/or spousal support, each party shall provide the other, in addition to the information and documents required by the Family Code and Rules of Court, each party's complete most recently filed tax return. (Eff. 01/01/14)

7-106. PERPETUATION OF TESTIMONY BY CUSTODY EVALUATORS (Eff. 01/01/21)

- a) The Custody Evaluator shall have prepared a written report.
- b) The proponent of the testimony shall arrange for a videoconference that shall allow the Custody Evaluator to be seen, hear the Court and Counsel, and speak to the Court and Counsel.
- c) The proponent of the testimony shall pay the expense of the videoconference, and shall have a videographer present during the testimony to ensure that the videography equipment functions properly. Any and all equipment necessary to perpetuate the testimony shall be provided by the proponent.
- d) Notice of intent to introduce testimony by videography must be given in writing by the proponent at least 15 days prior to the date set for hearing.
- e) Any objection to videography testimony must be filed and served 10 days prior to the date set for hearing. Any reply thereto shall be filed and served 5 days before the date set for hearing.
- f) Service of objections and reply shall be by fax or email. In ruling on the objections, the Court shall consider the issue of whether allowing such testimony is prejudicial to the opposing party.
- g) Should the quality of the transmission be poor, the Court in its discretion may strike the testimony entirely or, may, but need not, continue the matter in its discretion.

- h) In order to perpetuate testimony pursuant to this local rule, the Custody Evaluator must maintain his or her office 75 miles or more from the courthouse. (Eff. 01/01/21)

7-108. AT-ISSUE MEMORANDUMS (Eff. 01/01/14)

Prior to the filing of an at-issue memorandum, the party requesting the trial date must have submitted a good faith settlement proposal of all issues to the opposing side and must have served a current Income and Expense Declaration and a completed Declaration of Disclosure including attachments. The at-issue memorandum must include a declaration or proof of service evidencing compliance with this section. (Eff. 01/01/14)

7-109. RESULT OF FAILURE TO COMPLY WITH RULES (Eff. 01/01/14)

Failure of a party(ies) to comply with these rules may result in one or more of the following on the request by the other party or on the Court's own motion:

- (a) Dropping the matter from calendar.
- (b) Continuance of the matter.
- (c) The award of attorney's fees and costs against the non-complying party and/or the party's attorney, without the necessity of filing an Income and Expense Declaration, or any request for order, including, but not limited to, a motion under California Code of Civil Procedure section 128.5 or Family Code sections 270 through 275.
- (d) The rendering of an order based solely upon the pleadings properly before the Court.
- (e) Other orders as the Court deems appropriate under the circumstances. (Eff. 01/01/14)

7-110. SETTLEMENT CONFERENCES (Eff. 01/01/15)

- (c) A list of witnesses and a brief summary of their testimony.

(Eff. 01/01/21)

7-111. FAMILY LAW TENTATIVE RULINGS (Eff. 07/01/17)

7-114. COURT COMMUNICATION RULES FOR DOMESTIC VIOLENCE AND CHILD CUSTODY AND/OR VISITATION ORDERS (Eff. 01/01/14)

This rule is intended to comply with the provisions of California Rules of Court, Rule 5.445 regarding communication between courts about the existence of criminal protective orders and child custody and/or visitation orders to avoid the issuance of conflicting orders.

A. Court Communication

Until the court has an operational case management system capable of automatically coordinating domestic violence orders, the court's criminal, family, and juvenile law departments shall, to the best of their abilities communicate with one another to identify families with existing orders.

B. Avoiding Conflicting Orders

No department of the family or juvenile court shall issue a protective order or custody order in conflict with an order of the criminal court. In the event such an order is issued inadvertently, the orders of the criminal law proceeding shall control.

C. Modification of Criminal Protective Order

Upon notice of an existing criminal protective order, the family or juvenile court shall refer the party's requesting custody and visitation to the Clerk's Office in the Criminal Department. At the Clerk's Office, the person restrained by a criminal protective order or protected by a criminal protective order may request a hearing to modify the criminal protective order to expand or restrict contact between the person restrained by the order and his or her children.

The family court may prepare a custody and visitation order; however, it is explained to the parties that the order cannot be enforced by law enforcement if the criminal protective order is not modified accordingly.

D. Co-Existing Criminal and Family or Juvenile Orders

A family or juvenile court order may coexist with a criminal protective order, subject to the following:

- 6) Parties must first identify themselves whenever speaking and only one party at a time may speak.
- 7) Any and all documents a party/attorney wants the court to consider shall be submitted with a party's moving/opposition papers five (5) court days prior to the hearing. In the event the court requires a party/attorney to submit a document at the time of the hearing, the party/attorney must send the document in a .pdf format to the court at familycourtclerks@sjcourts.org, and must copy all counsel of record and self-represented parties on that email. The case name, number, and hearing date must be stated in the subject line of the email and the other party or their attorney must be copied (cc'd) in the email or the court will not consider the document as it is an ex parte communication.
- 8) For matters heard in department #5A, any documentary evidence that the parties wish the bench officer to consider must be emailed directly to the other party or that party's attorney, if represented, and, if the matter is a DCSS matter, then to DCSS at least five days prior to the hearing, excluding any Saturday, Sunday, or holiday as provided for under Code of Civil Procedure section 135. Failure to provide at least five court days' notice of proffered documentary evidence may result in its exclusion. If no email exists for the opposing party or counsel, alternative methods of service must be used (e.g., text, mailing, or instant message). The bench officer will determine the sufficiency of any such alternative service method. The case name, number, and hearing date must be stated in the subject line of the email and the other party or their attorney must be copied (cc'd) in the

(Rev.01/01/2022)

7-116. REMOTE APPEARANCES (Eff. 01/01/22)

- 1) This Local Rule is adopted pursuant to Civil Code of Procedure section 367.75 and California Rule of Court, rule 3.672. Notice requirements are set forth in rule 3.672 and below.
- 2) For Law and Motion hearings, and Ex Parte hearings, parties may appear remotely by telephone pursuant to Civil Code of Procedure section 367.75 and California Rule of Court, rule 3.672.
 - a. Parties may stipulate either orally or in writing to waive notice of other parties’ appearing remotely for Law and Motion hearings and Ex Parte hearings.
 - b. This Court waives notice of parties appearing remotely for Law and Motion hearings, and Ex Parte hearings.
 - c. Nothing limits the discretion of the judicial officer to require parties to appear in person for Law and Motion hearings and Ex Parte hearings.
 - d. A remote appearance for Law and Motion hearings and Ex Parte hearings will not be permitted if the tentative ruling posted for the hearing states that an in-person appearance is required, or the court advises the person requesting to appear remotely that the judicial officer has determined that an in-person appearance is necessary.
- 3) For Law and Motion hearings, and Ex Parte hearings the Court has a telephone Bridge Conference Line platform that supports audio only.
 - a. The Bridge Conference Line call in numbers are listed on the Court’s website.

- b. At the discretion of the Judicial Officer, a Zoom video platform may be provided for the parties to appear. The Court will provide the video access meeting link, or require a party to provide notice of the video access meeting link.
 - c. Any recording, reproduction, or re-broadcasting of a court proceeding held remotely, including screenshots or other visual or audio copying of a hearing, is prohibited.
- 4) For Evidentiary Hearings, RFOs, Mediations, Settlement Conferences, Trials, and hearings on Orders to Show Cause, parties must appear in person, unless the party or attorney requests and receives express written authorization to appear remotely by the judicial officer.
- a. A party may request to appear remotely by telephone by filing and serving an Ex Parte Application For Telephonic Appearance at Hearing and Order (Form SJ-FL-005) with the Court no later than 10 court days before the Evidentiary Hearing, Mediation, Settlement Conference, Trial, or Order to Show Cause. Any objections must be filed and served no later than five (5) days after service of the Application.
- 5) Even when a remote appearance is authorized and commences, the judicial officer may terminate a remote appearance and continue the matter so that an in-person appearance can occur if technology or audibility issues interfere with the judicial officer's ability to make a determination required by the hearing, the in-person appearance is necessary to assist in the determination of the specific hearing, the court reporter's ability to make an accurate record is in question, counsel's ability to provide effective representation is in question, an interpreter's ability to provide language access is in question, or for any other reason which constitutes good cause under the circumstances.

A. Definitions

For purposes of this section, telephonic appearance means a landline, cell phone or tablet allowing the user to hear all other users at other locations using the court's bridge line number.

B. Application

This rule applies to any matter to be heard in a family law department, subject to the approval of the judicial officer.

C. Procedure

- 1) The court must ensure that the statements of participants are audible and/or visible to all other participants and the court staff and that the statements made by a participant are identified as being made by that participant.
- 2) The party, attorney, or witness must timely join the telephone conference hearing at least 10 minutes prior to the scheduled hearing. Do not announce your presence until the Court calls your case. Simply stay on the telephone line, even if there is only silence, until the Commissioner/Judicial Officer starts the hearings, and then continue to listen quietly until your case is called. The Commissioner/Judicial Officer will conduct a roll call and if you are not present, your matter will be dropped from the calendar or reset. Until your case is called, refrain from speaking.
- 3) The party, attorney, or witness must provide the Court with their mobile phone number and email address at the time of the hearing. A party, attorney, or witness shall register his/her email address and mobile phone number with the Court through the Online Services, Attorney Registration page on the Court's website. You do not need to be an attorney to register.
- 4) Parties must first identify themselves whenever speaking and only one party at a time may speak and must pause prior to speaking in case there is any audio lag.
- 5) No child(ren) or third parties shall be present for the hearing; only the parties, their attorneys, and witnesses.
- 6) Any and all documents a party/attorney wants the court to consider shall be submitted with a party's moving/opposition papers 5 court days prior to the hearing. In the event the court requires a party/attorney to submit a document at the time of the hearing, the party/attorney must send the document in a .pdf format to the court at familycourtclerks@sjcourts.org, and must copy all counsel of record and self-represented parties on that email. The case name, number, and hearing date must be stated in the subject line of the email and the other party or their attorney must be copied (cc'd) in the email or the court will not consider the document as it is an ex parte communication.
- 7) For matters heard in department #5A, parties must provide any documents they want the court to consider prior to the hearing and must provide copies to the other side. Any documentary evidence the parties wish the bench officer to consider must be emailed directly to the other party or that party's

attorney, if represented, and, if the matter is a DCSS matter, then to DCSS at least five days prior to the hearing, excluding any Saturday, Sunday, or holiday as provided for under Code of Civil Procedure section 135. Failure to provide at least five court days' notice of proffered documentary evidence may result in a continuance to another court date and/or its exclusion. If no email exists for the opposing party or counsel, alternative methods of service must be used (e.g., text, mailing, or instant message). The bench officer will determine the sufficiency of any such alternative service method. If there is a document the Commissioner/Judicial Officer requires you to submit the day of the hearing, you must send the document to the court at familycourtclerks@sjcourts.org. The case name, number, and hearing date must be stated in the subject line of the email and the other party or their attorney must be copied (cc'd) in the email or the Commissioner/Judicial Officer will not consider the document as it is an ex parte communication.

- 8) These telephone conference hearings may be abbreviated due to the limited ability to hear evidence under these circumstances. The Commissioner/Judicial Officer may make interim orders and your case could be continued for additional consideration at a later date.
- 9) Any recording of the telephone conference is absolutely prohibited. Violation of these prohibitions may result in sanctions, including removal of court-issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the court.

8-201. TERMINATION OF PARENTAL RIGHTS IN ADOPTION PROCEEDINGS – CAPTION (Eff. 07/01/98)

Whenever termination of parental rights is sought in an adoption proceeding, each petition shall include in the caption the code section under which the petition is brought. This includes petitions and motions which are ancillary to the adoption or termination of rights. (Eff. 07/01/98)

8-202. TERMINATION OF PARENTAL RIGHTS IN ADOPTION PROCEEDINGS NOTICE AND CONSENT (Eff. 01/01/99)

A. Necessity of Consent by Mother or Presumed Father in an Adoption

If it is claimed that the consent of the mother or a presumed father of a child who is to be adopted is not required pursuant to section 8604(b) or 8606(c) of the Family Code, the petitioner may set a hearing to determine the request in advance of the hearing on the adoption. This “necessity of consent” hearing shall be heard on the regular adoption calendar.

The court will not consider the request unless the required adoption report is submitted and, in the case of request pursuant to section 8604(b), proof of service of the required citation is on file.

The citation pursuant to section 8604(b) shall require the parent served show cause why the court shall not find the minor to have been abandoned and the consent for adoption by the named parent not required.

B. Notice to Alleged Father in an Adoption

1. Where a petition to terminate an alleged father’s rights has been filed and there is a petition, motion or other request that notice of the adoption proceeding to the alleged natural father be dispensed under section 7666(b) of the Family Code, or that rights be terminated without notice of the adoption proceeding under section 7665, the petitioner may set a hearing to determine the request in advance of the hearing on the adoption. The hearing is to be set on the regular adoption calendar. Alternatively, the petitioner may submit the request on the pleadings and the court will hear it without appearance.

Whether set for a calendar hearing or otherwise, the court will not consider the request unless the report required under section 7663 is submitted.

Where there is a petition, motion or other request that no further notice of the adoption proceeding to the alleged natural father is required under section 7662(b) or 7664(a) of the Family Code, the petitioner may set a hearing to determine the request in advance of the hearing on the adoption. The hearing is to be set on the regular adoption calendar. Alternatively, the petitioner may submit the request on the pleadings and the court will hear it without appearance.

2. Whether set for a calendar hearing or otherwise, the court will not grant the request unless there is evidence of a record search in the county set forth in the notice as required by subsection(c) below.

If it is further requested that the alleged father's rights be terminated in advance of an order of adoption, the court shall grant the termination contingent on an order of adoption.

3. Notice to be given pursuant to section 7662(b) or 7664(a) of the Family Code shall set forth the title, action number and location of the court of any then pending adoption proceeding and any petition to terminate the alleged father's rights regarding the child allegedly fathered. If there is not then pending an adoption proceeding, or petition to terminate the alleged father's parental rights, the notice shall set forth the location of the court of the County wherein the person having custody of the child resides.
