Superior Court Announces Appointment of New Court Commissioner

Stockton, CA — The Superior Court of California, County of San Joaquin, is pleased to announce the appointment of Kerry Krueger as its newest Court Commissioner. Ms. Krueger will begin her service with the Court on January 26, 2026. Her appointment fills a current vacancy and will provide much-needed assistance to support the Court's caseload and ensure the continued timely administration of justice.

Ms. Krueger brings nearly four decades of professional experience spanning higher education administration and civil and probate law practice. She holds undergraduate, master's, and law degrees, which together provided a strong foundation in critical thinking, research, analytical application, and effective communication. These skills, coupled with her strong work ethic, integrity, passion for problem solving, and commitment to justice, have supported two successful careers—first as a higher education administrator for 20 years, and subsequently as a civil and probate law practitioner for the past 19 years.

Throughout her legal career, Ms. Krueger has engaged in both transactional work and litigation across a broad range of practice areas, including contract law, employment law, elder abuse, negligence, fiduciary and entity matters, restraining orders, conservatorships, trust disputes, and real estate matters.

As a law firm partner, active member of the State Bar, and engaged community member, Ms. Krueger is known for her collaborative approach, respectful communication style, and commitment to ethical professional conduct. She values diverse perspectives and approaches challenges with preparation and humility. Her experience has also reinforced the importance of adaptability, sound judgment, and maintaining perspective in high-pressure environments.

Ms. Krueger's early professional career brought her to Stockton, and her subsequent legal career firmly rooted her in the local legal community. She takes great pride in being part of both communities and looks forward to serving the residents of San Joaquin County in her new role.

"San Joaquin County has been my professional home for many years," Ms. Krueger said. "I am honored by the opportunity to continue serving this community and am committed to upholding the highest standards of fairness, integrity, and public service."

The Court welcomes Ms. Krueger and is confident that her experience, judgment, and professionalism will be an asset to the Superior Court of California, County of San Joaquin.
